Sub: To visit the College premises for survey of available Tree and plants and their certification for upcoming NAAC Accreditation of the college.

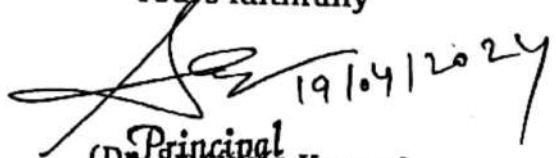

Sir,

This is for your kind information that our college is going for NAAC Accreditation in coming days. There are several Trees and botanical Plants exist in the college premises like Azadirachta Indica, Mangifera Indica, Laurus Nobilis, Dalbergia Sissoo, Miletia Pinnata, Tagetes Erecta, Psidium Guajava, Koenigili etc.

So, you are requested to visit the College premises for survey of available Tree and plants and their certification for upcoming NAAC Accreditation of the college.

Thanking you,

Yours faithfully
